AluTruk 3 Wheel Stair Climber Trolley, Curved Back Frame

Product code: N25YRSC

The 3-wheel design on this aluminium sack trolley from the AluTruk range makes it the ideal stair climber for shifting sacks, bags and drums. The Tri-wheel units rotate as you negotiate each step - easily climbing the stairs.

- Robust heavy-duty 15mm thick extruded-aluminium axle brackets
- Easy to repair or upgrade due to the modular system
- Extra support via large solid toe plate (W405mm D305mm)
- Reduce maintenance - includes puncture-proof wheels
- Load capacity 180kg on stairs and 300kg on flat ground

Height	505mm
