AluTruk Bouncy Castle Sack Trolley

Product code: N25Z10WG

Rolled-up bouncy castles can be hard to move – very heavy with awkwardly curved shapes. The AluTruk bouncy castle sack trolley is the ideal solution, tried and tested in your industry.

- 300kg capacity, ideal for heavy loads
- The rolled-up inflatable fits into the curved frame for stability
- Large/deep front mounted toe plate for support
- Wheel guards protect the load from splashes
- Durable puncture-proof tyres
- Easier to push due to the precision bearings
