

AluTruk Foodbank Sack Truck

Product code: M23Y10BH

Our Foodbank AluTruk is designed specifically to make the job of the generous volunteers easier and more efficient. Although we feel foodbanks shouldn't be needed at all, we unfortunately live in a world where they are and our aim is to help in the best way we can, providing quality equipment. For this AluTruk, you can simply choose the buy now option or if you represent a Foodbank charity, enquire directly to us quoting your registered charity number and we will be in touch with an exclusively discounted price just for you. One day, we hope we will live in a world with no foodbanks at all but until that time we are here to help.
