Armorgard AdaptaKart AK750 – Plasterboard & Board Trolley

Product code: AK750

The AK750 Armorgard board trolley. An L-frame unit for carrying boards, plasterboard & sheet material panels both vertically and horizontally.

- Helps to avoid injury - the rack tilts so you don't have to
- Converts to a bench trolley cart for cutting, measuring and/or loading
- Heavy duty castors ensure smooth movement across sites & workshops
- Works with forklifts – includes forklift pockets below the frame
- Up to 750kg loads
