

Armorgard BundleRack Trolley – BR1

Product code: BR1

A heavy duty Armorgard trolley, the BundleRack BR1 is ideal for moving and storing large bundles of pipes, timber, or construction materials on site.

- Handles up to 1000kg of long or bundled materials with welded storage arms
- Saves space with a collapsible frame design for compact site storage
- Moves easily on heavy duty swivel castors in pressed steel housings
- Stores smaller items too with an integral mesh base beneath the main load
