Armorgard Rubble Truck – RT400 Trolley

Product code: RT400

A heavy duty Armorgard trolley, the RT400 Rubble Truck is built for shifting, tipping, and containing rubble and debris on demanding sites.

- Carries up to 400L of site waste in a tough, impact-resistant body
- Tips easily with an integrated tipping mechanism and secure stop bar
- Rolls smoothly on two large puncture-proof wheels and one swivel castor
- Built-in crane lifting eyes and optional lid for added site control
