

## Black Rubber 200mm Plain Bearing 205kg Load

**Product code: BZWPK2001951BLK**

Black rubber tyred, black polypropylene centred wheel, with a plain bore, 200mm wheel diameter, 48mm tread width, 205kgs load capacity, 19.1mm bore, 51mm hub width.

|                         |                                                |
|-------------------------|------------------------------------------------|
| Wheel Material          | Rubber on Polypropylene                        |
| Diameter (mm)           | 200                                            |
| Load Capacity (kg)      | 205                                            |
| Bearing Type            | Plain                                          |
| Bore Size (mm)          | 19.1                                           |
| Tread (mm)              | 48                                             |
| Hub Width (mm)          | 51                                             |
| Colour / Shore Hardness | Black Rubber on Polypropylene Rim / 85 Shore A |
| Temperature Resistance  | -20 °C TO +60 °C                               |
