Evo Skate Maxi Loader Heavy Duty Wooden Furniture Dolly - 600kg

Product code: ES31BE10

The Evo Skate Maxi Loader is a heavy-duty wooden furniture skate designed for moving large, bulky items with greater stability and control. With a wide 950 × 590mm platform and five-wheel layout, it’s built to handle heavier loads while remaining practical to manoeuvre through standard doorways.

- Handles bulky, heavy loads with confidence – up to 600kg (see FAQ note)
- Improved stability under load using five 100mm blue elastic swivel castors
- Moves large furniture through standard doorways with a wide but practical 950 × 590mm platform
- Easy to lift, carry and reposition using two integrated hand-hold slots
