Manual Forklift Jack 7000kg

Product code: SKFLJ700A

Lift almost any forklift truck safely & easily with this manual hydraulic forklift jack, rated up to 7,000kg.

- Built for hard work with its rugged construction
- Ideal for hard-to-reach places under low-profile trucks due to extra-low pick-up point & dual position lift pad
- Easy to operate with its specially designed hydraulic pump with comfort grip
- Easy to store as it has a removable handle & compact dimensions
- 4,000kg forklift jack also available
- Meets both CE and ANSI standards

Lifting range	65mm - 420mm
Load height	250mm
