

Hello Dollies Non-Slip Dolly With Handle

Product code: SB05

The Hello Dollies Non-Slip Dolly with Handle features an 18mm plywood board with anti-slip top surface coating, and a foldaway metal handle with foam rubber grip. Its four 75mm polypropylene swivel castors make the Hello Dollies Non-Slip Dolly with Handle easily manoeuvrable, with a max loading capacity of 150kg*. *Always ensure the dolly is safely loaded, with the weight spread evenly across the castors and used on a non-bumpy surface to achieve the maximum loading capacity.

Length (mm)	580
Width (mm)	280
Load Capacity (kg)	150
Product Weight (kg)	7
