

## Light Weight Mobile Safety Steps 2 - 6 Tread Options

**Product code: SKMSLD**

A high quality range of light weight mobile safety steps ranging from 2 treads right up to 6 treads. There are various safety features including handrails plus an additional choice of standard metal treads or rubber treads. Being portable they are ideal for a whole host of industries including warehouse and industrial requirements. Manufactured in 19mm tube instead of 25mm like our industrial options, the light weight range is cost effective yet strong and versatile for many uses including stores, archives, warehouse and office environments. Colour options available. **Current lead time approx. 6 weeks.**

Number Of Steps	2, 3, 4, 5, 6
Tread Type	Punched, Rubber
