

Stainless Steel Hand Pallet Truck (2500kg)

Product code: TDB41AII8I0 STEEL

The GS EVO INOX stainless steel hand pallet truck with high wear resistant Nylon INOX wheels. The heavy duty 2500kg load capacity and 1550mm x 525mm forks make it ideal for lifting and moving heavy objects within warehouses, factories & more.

- Suitable for environments where high hygienic standards are enforced.
- Inox AISI 304 electropolished stainless steel for all metal sheet parts; pump and all other castings are brass.
- The GS EVO INOX pump is made of brass to offer maximum resistance to humidity and oxidation. A maximum pressure valve safety device protects the transpallet against overloading. a monolithic design, formed of a resistant and reliable one-piece housing to protect all components and avoid any accidental damages.
- Proportional lowering valve to allow lowering speed to be proportionally controlled according to the lever position on the tiller.
- Enhanced ergonomic design tiller, maximising efficiency while mitigating fatigue.
- Electropolishing surface treatment provides enhanced appearance and guarantees maximum hygiene via optimum resistance to corrosion.

Fork Length (mm)	1150
Fork Width (mm)	150
Load Capacity (kg)	2500
Wheel Material	Nylon INOX
Weight (kg)	69
Lifting Height (mm)	115
Total length (mm)	1550
Turning Radius (mm)	1367
Fork width (mm)	150
Brand	Pramac
