**Description:**  
 JAZ150NY  
 Zinc plated box jacking unit with side fitting plate and a 75mm lift fitted with a 150mm white zinc plated swivel pressed steel castor with a white nylon wheel with plain bore with a load capacity of 250kg Please note Jacking castors are rated on a different principal to other castors and we recommend the total lifted load is divided over just 2 jacking units.1 extra safety point is when jacked up please beware of any obstacles as a sudden shock could result in the inner square tube bending around the outer tube.
